## **13. Waiting list in the event of oversubscription**

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Rath NS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Rath NS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

## **14. Late Applications**

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application no later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 13.

## **15. Procedures for admission of students to other years and during the school year**

Every effort will be made to accommodate all applicants. In the event of the number of children seeking enrolment in any given class/standard exceeding the number of places available, the school has criteria which will be used to prioritise children for enrolment. Pupils may be enrolled during the school year if newly resident in the area. Pupils wishing to transfer from other schools are enrolled subject to the Rules for National Schools, Education Welfare Act, the Admissions Policy of Rath NS and any relevant legislation. The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Category A (children living within the parish catchment area of Rath & Sherkin Island)

1. Brothers and Sisters, including step-siblings or foster siblings resident at same address of children already enrolled, if applicable.
2. Children living within the catchment area.

In the event of the number of children in Category A exceeding the number of places available in a given year/class group, children will be offered a place according to their chronological age.

then Category B (children living outside the catchment area) The same criteria will be adapted in relation to Category B, until all places are filled.

## **16. Declaration in relation to the non-charging of fees**

This rule applies to all schools.

- (b) the admission or continued enrolment of a student in the school.

**Note:** Exceptions apply only in relation to fee charging post primary schools, the boarding element in Boarding Schools and admission to post leaving cert or further education courses run by post-primary schools.

## 17. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for students where the Parents/Guardians have requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students: When religious instruction is being carried out or when the general school body is engaging in religious services or activities including sacramental preparation and rehearsals for same, any pupil not wishing to receive such instruction or partake in such services or activities will be assigned work by the class teacher or engage in other suitable academic work e.g.: silent reading, project work, IT skills. At all times, the pupil(s) not wishing to receive religious instruction or partake in religious services or activities will remain in the care of their class teacher or appropriate other member of school personnel.

A written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s) or the student, as the case may be, to discuss how the request may be accommodated by the school.
